

OBSTETRICAL & GYNECOLOGICAL NURSING

The department is headed by Mrs.Hemalatha G, Asst Professor followed Lecturer Mrs.Roopashree.

The Students are trained under this department to assist them in developing expertise and indepth understanding in the field of OBG Nursing. We help student to care client as a holistic individual and develop skill to function as independent midwifery practitioner. Also we enable the student to function as effective educator, manager and researcher in the field of OBG Nursing.

Mrs.Hemaltha G

Asst.Professor

HOD, OBG Nursing.
